Your Government

EDMON TON — The Alberta government's 1953-54 budget, presented by Premier Manning, provincial treasurer, at the end of last week in the legislature, called for greater expenditures than most observers are predicting—\$174,083,130, including provision for increased municipal loans.

The spending, which should see the benefits of the province's vast development reach citizens in all walks of life, is more than \$50,000,000 greater than last year.

It provides for the greatest highway program in the province's history, establishment of revolving funds for loans to municipalities, rural electrification associations and university students.

In highways alone an estimated \$5,625,000 will be spent to improve and maintain district highways, including \$3,000,000 in municipal areas and \$2,625,000 in improvement districts. The highways department plans to spend \$35,952,020 on highways and bridges this year, almost \$11,000,000 more than last year.

The revolving fund for rural electrification associations will begin this year at \$3,000,000, with an eventual limit of \$10,000,000. With 10-year loans at 3½ per cent interest, the premier believes member-farmers will have to pay only \$150 down for power line construction.

The fund for municipal loans will be set up with \$25,000,000 in the kitty, from which low interest loans will be provided for capital construction in cities, towns, villages and municipalities.

Direct aid to municipalities will total \$33,850,000 or \$3,000,000 more than the total provincial revenue seven years ago. Rabies control will take a \$350,000 slice, \$50,000 for surveyed areas and \$300,000 in the less-accessible unsurveyed areas.

Education will cost \$18,648,130, of which \$11,617,000 will go for grants for school operations. Of the revenue expected by the government (\$138,368,160), a total of \$46,432,000 is expected from mines and minerals development, including oil and gas; \$16,000,000 from the fuel oil tax and \$14,000,000 from liquor.

Receiving serious consideration by members on both sides of the house last week, was Alberta's teacher shortage, with Lee Leavitt (SC, Banff-Cochrane) suggesting a commission to study the problem. Others felt teachers should be paid enough to put them on the same social level as other professional workers.

The Alberta Power Commission Report tabled in the house says sights are set on having 49,000 of Alberta's 84,315 farms equipped with electric power by 1960. The Commission believes 72,000 farms will be within economical distance of power lines by that time. At the end of 1952, electricity was serving 13,055 farms, with a goal of 5,000 more set for this year.

Calgary Liberal H. J. MacDonald's motion asking legislation to assure adequate reserves of natural gas to safeguard Alberta's requirements and protect the consumer as to price, was defeated by a 45 to 5 vote, with only the Liberals and CCF-ers in favor of it. Attorney-General Lucien Maynard said there is protective legislation and said the government intends to encourage further development towards the export market.

NOTED BRIEFLY—First member in favor of serving liquor by the glass: Glen Johnston (SC, Ponoka) said he was "not in favor of more outlets but favored liquor in the glass in bars if they also served packaged foods—Michael Ponich (SC, Vegreville) claimed federal policy of higher and higher taxation cause of municipal financial difficulties, while the province's self-liquidating projects fund has done more than anything to aid them—W. F. Gilliland (SC, Peace River) wants more representation for his constituency, which has the second largest number of voters among rural constituencies—Agriculture Minister Day id Ure, of Red Deer, says the government is anxious to lose the revenue from the horn tax, but adds it will continue to grow (from \$1 to \$2 this year) until farmers begin dehorning their cattle before shipping—Reiserson (St. Paul) offered the highways department seven ferries, in operating condition, for three or four new bridges in his constituency—Dushenski

Eastern Star Officer Pays Official Visit

On Wednesday evening, March 4 Mrs. Bessie Bloom, Wor. Grand Matron of the Grand Chapter of Alberta, Order of the Eastern Star paid her official visit to Ferrodale Chapter No. 65 in Vulcan.

Visitors were present from Calgary, Okotoks, Carmangay and Champion. A very lovely dinner, honoring Mrs. Bloom and put on by the Past Matrons, was held at the home of Mrs. W. S. Hill at noon.

"Are Three R's Being Taught?"

An interesting panel discussion, "Are the Three R's being taught in school today?" will feature the next meeting of the Vulcan Home and School Association, to be held in the Cottage School on Tuesday, March 17 at 8 p.m.

This topic has been discussed on the CBC broadcast by Citizens Forum, which is a joint project of the Canadian Association for Adult Education and the CBC.

The provincial office has asked for a report of the opinion of the group. Lunch will be served.

30th Anniversary Good Deeds W.I.

The 30th anniversary of the formation of the Good Deeds branch of the Women's Institute was observed this week with the holding of a card party for members and their families at the Harry Smith home.

Five tables of whist were played and prize winners were as follows: Ladies' High, Mrs. Harry McMaster; Men's high, Howard Spaeth; ladies' low, Mrs. Percy Clark; men's low, Allan Fisher. A delicious lunch was served by the hostess.

The Weather

Spring-like weather, with temperatures of about 56 above, prevailed Monday and Tuesday, with the heavy snowfall melting rapidly. Tuesday saw a return to colder weather, however, with light snow and a forecast low of zero for Wednesday night.

(Willingdon), on road conditions: "My constituency is one place you can enjoy a horseback ride, while riding in a car—Mason (Wainwright), on four-man Liberal opposition: "They remind me of an old threshing machine. The only thing that works is the blower."

About 150 members of the community enjoyed a banquet and short program put on by the Vulcan High School, on Thursday evening, March 5, the occasion being the presentation of the Provincial High School Curling trophy to Barry Coleman, Ron Northcott, Warren Banks and Billy Hansell—the High School Curling Team which represented Alberta at the Canadian play-downs at Saskatoon this year. Although the trophy is to be retained for one year only, the boys were each presented with a small golden trophy as a permanent reminder of their curling achievement.

Miss Anne Nicol ably filled the position as chairman of the evening. Mayor Allan, Einar Kuntin, school principal, and Harris Macleod, who coached the team during the various playdowns, all spoke briefly, expressing the pride of the town and community in the achievement of the boys, praising the boys for their good show of sportsmanship at all times and thanking the town for their continuous support indicated by telegrams, phone calls, etc.

The chairman then called on Mr. C. Ballard, the manager of Taylor, Pearson and Carson Co. in Calgary. This company sponsors the High School Curling competitions in Alberta and sends the provincial winners to the Canadian playdowns. Mr. Ballard said that although he was not a curler himself, through the years since his company has been sponsoring the high school curling, he has become keenly interested in it; and that although they originally sponsored this sport merely as a method of advertising, it has by now become more to them than that.

He spoke very highly of the boys' behavior both on and off the ice, and said that Vulcan should be proud of these boys who represented Vulcan in the Provincial playdowns and Alberta at Saskatoon in the Canadian playdowns. He then called Barry Coleman, skip, to the table and presented him with the provincial trophy, and then presented each of the boys with his own trophy. These trophies ordinarily would have been presented at the banquet given the boys on the evening of the first day of curling in Edmonton at the provincial playdowns, but due to the fact that there was a tie at the end of the round robin play off, there was no team to which the trophy could be given.

The banquet was planned and served by a volunteer committee of the high school girls. They were all highly commended on the marvellous meal they had prepared. Following the supper, a short program, prepared by Benny Bell and his committee, was presented. It consisted of a piano duet by Marlene Lloyd and Helen Nicol, a piano solo by Terrie MacAfee, a piano solo by Dorothy Hiltz, and concluded with a piano accordion solo by Marjorie McMullen.

The trophies are, at the moment on display in the window of Lloyd's Jewelry Store.

Improving Ethiopian Grain With U.N. Aid

FINDING OUT about Ethiopian grain is Michael Miller (center), a Canadian agronomist. Mr. Miller, who is shown with his assistant (left) and an Ethiopian farmer, holding a basket of grain, is a member of a team sent by the U.N. Food and Agriculture Organization to advise Ethiopia on improving its grain crop.

Unique Event on Saturday

Northcott Rink Wins H. School "Car Bonspiel"

What was billed as "Vulcan's First Car Bonspiel" was held last Saturday with ten rinks from the local high school entered, and when the last game was finished, Ronnie Northcott's rink had won the cars.

The idea for the bonspiel was born when Norm Pettie of Wheat Centre motors donated a 1928 Chevrolet to be used as a bonspiel prize. Other garage owners were approached and readily co-operated, with Elder's Garage donating a 1928 Ford, Richardson & Gould Ltd. a 1935 Oldsmobile and Glen Dahl of the Central Garage a 1928 Chrysler or \$20 credit note.

Competition was very keen throughout the spiel with the Northcott rink beating the Healy rink in the final of the first event. Of the winning rink, Ron Northcott (skip) took the 1928 Chevrolet, Clare Coleman (third) took the 1928 Ford, Patsy Robertson (second) took the credit note and Evelyn McMullen (lead) took the 1935 Oldsmobile.

The Hansell rink defeated the Barry Coleman rink in the final of the second event. The winners were: Billy Hansell (skip), Blaine Middleton (third), Gary Banks (second), Harvey MacDonald (lead).

Town Council Committees Named

Offer 13 Lots For Sale Golf Course Subdivision

Naming of committees and implementing the bylaw to subdivide the golf course constituted the main business at the regular town council meeting held Monday evening of this week. Mayor W. D. Allan and Councillors M. R. Morrison, J. M. Jamison and M. A. Jesse were sworn into office. Councillors C. S. McAskill and M. D. McIntyre were also present at the meeting.

Committees
Committees for the year were appointed as follows, the first-named councillor in each instance being the chairman of that committee:
Finance: Morrison, Jamison and Scales.
Public Works: Scales, McIntyre and Jesse.
Jesse: McIntyre, Jamison and McAskill.
Fire and Police: McAskill, Morrison and McIntyre.
Parks, Cemetery and Relief: Jesse, Morrison and McAskill.
Waterworks: Jamison, Jesse and Scales.

Subdivision
Bylaw No. 290, regarding the subdivision of the golf course, has now received the approval of the proprietary electors and was given second and third readings.

The town will offer for sale the five lots in the new subdivision opposite Block 25 and abutting on Mars Street, and eight lots opposite the park and hospital grounds, commencing with the lot abutting on Mars Street. These are all 75 foot lots and will be sold for \$800 per lot, this price to include a cement sidewalk.

The lots will be sold on a Purchase Agreement, the condition of sale being that if, by the end of the first year construction of a home has been commenced and has been completed at the end of two years, title shall pass to the purchaser. However, if this condition (of building a home on the lot) has not been fulfilled in the specified time, one-half of the purchase price shall be forfeited and the Purchase Agreement shall be cancelled.

Hospital Extension
The area allowed for hospital extension on this plan submitted to the Town Planning Commission will be increased to include the balance of the area on the south-east side of the street abutting the west side of the hospital grounds.

Water Tower
Out of the north-west corner of that portion of the new subdivision between Pacific and Prairie Avenues, an area of 70 ft. frontage and 150 ft. in depth will be reserved for the purpose of constructing a water tower at a future date, leaving slightly over six acres for the site of the new school.

Street Drainage
Norman Pettie and Jack Marshall interviewed the town regarding drainage of water from their respective business and residential properties and this situation is to be remedied as soon as possible.

Deputy Mayor
Councillor McIntyre was appointed deputy mayor for the ensuing three months.

Assessor
J. Lundy Findlay was appointed assessor for the town, subject to the approval of the Department of Municipal Affairs, at a fee of \$100 per parcel for all properties assessed.

February Births At Vulcan Hospital

The following births were recorded at the Vulcan Municipal hospital during the month of February.

Feb. 1, to Mr. and Mrs. Alex Grant, Vulcan, a son.
Feb. 4, to Mr. and Mrs. Lester Gleason, Vulcan, a daughter.
Feb. 5, to Mr. and Mrs. Edward Uity, Vulcan, a son.
Feb. 6, to Mr. and Mrs. Allan Hunter, Vulcan, a son.
Feb. 13, to Mr. and Mrs. Clyde Christofferson, Queenstown, a daughter.
Feb. 18, to Mr. and Mrs. Barry Middleton, Kirkealdy, a daughter.
Feb. 19, to Mr. and Mrs. John Roebuck, Champion, a daughter.
Feb. 19, to Mr. and Mrs. Charles Hingley, Majorville, a son.
Feb. 20, to Mr. and Mrs. Ivan Haga, Vulcan, a daughter.
Feb. 27, to Mr. and Mrs. Lorne Arnold, Champion, a daughter.

Active in Hockey For 25 Years

At the last hockey game played between Vulcan and Nanton this season, Harold Boutland, centre of the Vulcan first-string forward line, was presented with an award to mark his 23rd active season in Foothills league hockey. It was fitting that the presentation was made at a Vulcan-Nanton game, for Harold had played on the Nanton team for many years before moving to Vulcan.

Preceding the presentation, M. D. McIntyre, chairman of the town's rink committee, gave an introductory talk over the public address system, giving the highlights of Harold's hockey days. Frank Hess, president of the Vulcan hockey club, made the presentation to Mr. Boutland and also presented a small gift to Mrs. Boutland.

Red Cross Appeal Objective is \$2200

The annual appeal for funds to further the work of the Canadian Red Cross Society has been underway since the first of this month and, up to March 9, a total of \$707.20 had been collected towards the objective of \$2200 for Vulcan and district.

Canvassers are now busy throughout the town and district and it is hoped to go well "over the top" in the annual fund drive for this very worthwhile organization.

Mrs. W. A. Fitzpatrick is president of the Vulcan Branch of the Society, with C. W. Loose as financial chairman. Mrs. A. G. Saxby is treasurer and Mrs. Mabel Bea publicly chairman.

Showers Honor Miss Ruth Wylie

A community bridal shower, honoring Miss Ruth Wylie, a bride elect of this month, was held in the Legion hall, Thursday evening, Feb. 26, when hostesses were Mrs. Earl Carruthers, Mrs. June Fisher, Mrs. Melvin Eamorr, Mrs. Bill Richardson, Mrs. Margaret Chambers and Mrs. O. Leroh.

The hall was decorated with pink and white streamers, and a decorated chair was provided for the honored guest.

Some 15 friends of the guest of honor were gathered and enjoyed a varied program of music and tap-dancing. Little Valerie Richardson favored the party with a piano number, and small Marie Richardson presented fine tap-dance numbers. Jerry Wylie sang two much appreciated solos.

Little Marie Richardson and Teddy Wylie drew in a gaily decorated child's wagon, piled high with many lovely and useful gifts for the bride's new home. Assisting Ruth in opening the colorfully wrapped parcels were her mother, Mrs. W. Wylie, the mother of the groom, Mrs. Richardson of Nanton, and Mrs. Kenneth Jones.

Centering the guest-of-honor's table was a three-tiered angel food cake, made by the aunt of the bride-groom-elect, Mrs. Margaret Andrews of Nanton, to represent a wedding cake. A delicious lunch was served by the hostesses to bring the evening to a happy conclusion.

Complimenting Miss Ruth Wylie whose marriage to George Richardson takes place this month, some 24 ladies gathered at the home of Mrs. Opal Pederson, to tender her a personal shower last Monday evening.

A contest conducted by Mrs. James Chapman proved amusing, following which Lily and Agnes Bogner gave a vocal duet and Little Misses Katherine Leon and Arleeta Pederson presented a tap dance number.

On behalf of those assembled, Mrs. K. Jones then presented the bride-to-be with the many lovely gifts, expressing the wishes of all that she have a long and happily married life.

Policing Problem

As we understand the situation, Vulcan at the present time has a night policeman-but no day police. The one R.C.M.P. constable stationed here is actually not responsible for policing the town. This is not a particularly healthy situation. For some years the town has been making application for an R.C.M.P. contract which would call for the stationing of another constable here to actually police the town, and every year the excuse is given that the force's manpower situation is such that they cannot spare the extra constable. But when the B.C. government calls for extra R.C.M.P. men to aid in controlling the Doukaboras, their request is granted immediately. Maybe the Alberta government should ask for a few extra constables in this province and then get them out to the towns which, like Vulcan, have been vainly trying to get contracts with the R.C.M.P.

Building Lots

Without wishing to start or enter into a controversy over the wisdom of sub-dividing the golf course and offering lots in that area for sale, we wonder if full consideration has been given to making use of other parts of the town already serviced by water and sewer mains.

It is realized that if the proposed housing project involves the construction of about twenty homes, there are not enough vacant lots in any one block to accommodate this number. But if the housing project involves not more than ten or eleven new homes there is at least one location in town with eleven vacant 50 ft. lots already serviced by water and sewer mains within reasonable distance of the school. If a housing project of not more than eleven homes is anticipated, this locality (Block 16) might well serve the purpose and would save the town, this year at least, the expense of extending water and sewer mains to a new block on the golf course.

And too, it would mean that the baseball diamond and sports grounds would still be available for use this year.

From every viewpoint, it is far better to keep the town as compact as possible. If vacant lots within the town are being held at too high a price by their individual owners, some method of control should be found to force these lots on the market at a fair price, rather than having to develop new sites on the edge of town in order to make lots available at reasonable prices.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Tompkins and the entire hospital staff for their kindness and care while I was in the hospital, and also to all my friends for flowers and cards and a special thanks to Mart Jose, Charlie Fulton and Roger Middleton for their kind assistance.
—C. H. Matlock.

CARD OF THANKS

We wish to express our sincere appreciation to all the kind and thoughtful people of both the Lomond and Vulcan districts who helped in any way in our recent misfortune.

A special thank you is extended to our district nurse, Mrs. K. Coutts, and to the three local nurses who so kindly offered their services. Also to all those who helped with artificial respiration and to the local telephone operator, Miss E. Bell, for her quick work in contacting everyone. We are unable to mention everyone who helped but our heartfelt thanks go out to each and everyone including Dr. Gee, the nurses and staff of the Vulcan Hospital.

Mr. and Mrs. Vern Williams, Mrs. Sam Schlaht and Vernon wish to thank everyone for the cards, gifts and flowers sent to them while in the hospital.

Students' Union

The Students' Union had a very successful two weeks in selling the Maclean Hunter subscriptions. The total sales amounted to \$236.72, the Students' Union receiving \$240 of this and gifts for each salesman.

Although all the students did their best Kenneth Anderson and Billy Baci were top salesmen, Ken selling \$145 worth and Bill selling \$97 worth. Among the prizes awarded was a radio, sweater, dresser sets, wrist watch, football and many other wonderful things. The Students send their sincere thanks to all those who made this project such a huge success.

W. A.

The March meeting of the Women's Association was held in the Sunday School room on Friday afternoon with 13 members and one visitor present.

Devotional was read by Mrs. Teskey after which Mrs. Craig read a missionary story and a portion of a letter from Dr. Allan Knight of Angola, Africa. Since the last meeting a large quilt for flood victims in Europe has been completed and shipped to headquarters. Two crib quilts have been completed and a large quilt for the Girls' Mountview Home in Calgary is nearly finished.

The W.A. purchased the material and Mr. V. Teskey made eight lovely tables for use in the church basement. These have been painted and varnished and are ready for use.

A committee was named to purchase material for curtains and curtain rods for the windows in the basement. Mrs. Teskey, on behalf of the Eastern Star, thanked the W.A. for the delicious banquet served them Monday evening.

Plans were made to cater to Father and Son Banquet on Mar. 24, also a wedding reception in early April. After the Mizpah was repeated, lunch was served in the basement by the hostesses, Mrs. W. Soderquist and Mrs. L. Roemmel. Next meeting will be Thursday, April 2.

"Your Sale in My Hands Means Money in Yours"

Milo News

I am probably sticking my neck out a mile to write anything like this about this country at this time of year, but oh, doesn't it just smell like spring these days? If it is blizzarding when this publication comes out, just let this remind you of the beautiful weather that we did have. The water is starting to run, the sun is getting some real power back into its rays and even the gophers are beginning to think that spring is just around the corner, and are venturing out to take a look around. The ice is gone on the curling rink and the women can start their spring housecleaning just as soon as they overcome their first lethargic bout with spring fever and gain the strength to carry on with grimy ceilings and walls brought on by furnaces that wouldn't work properly all winter. Of course the furnace would probably have worked all right if friend hubby could have taken time off from his curling to clean it but as he couldn't, it is only right that he now help clean the ceiling and walls. Heavens, let's forget such an odious subject for a few days at least as that wonderful, drowsy, ambitionless, feeling still prevails in this house at least.

Mr. and Mrs. Glen Dishaw have recently returned from a winter holiday and the more I hear about it the more I wish I had been along. It sounds simply wonderful. First of all they flew to Toronto and then went on to Oshawa where they got their new red and grey car. Then they started on a motor trip which was to take them through 13 of the 48 states and into and out of as different kinds of country as you could find anywhere. Through the northern states and into Nevada where they visited Las Vegas with all its enticing vices. They breakfasted at the famous Golden Nugget Casino where all you have to do is step through a door, lay your money down and lose all you have with you as well as on you. On the return trip they visited Reno but didn't find any movie stars waiting out their divorces there at that time. Then on through the vast arid stretches in Texas and Arizona and New Mexico and finally into the beautiful fertile valleys of California. The fruit trees were all in bloom and the air was heavy with their fragrance. They saw oranges picked from trees, processed and packed as they are when we receive them. They saw the broad expanse of the Pacific ocean and it seemed that wherever they went, luck was with them concerning the weather. It was beautiful all the way. Now doesn't that sound like some dream you have when the north wind is whipping a stinging sleet around the eaves of your house and you know that the next morning you probably won't be able to even find your barn for a big snow drift? By the way, why do we live in this country if others are so much more wonderful? Well here is one reason. There is still room to draw a deep breath of pure air that someone else hasn't already used when you're living here, but in some of these other beautiful lands you don't even spit for fear of hitting someone. Those places are nice to come home from.

We are losing a family from our district this week who have been with us for a number of years now and have gained many friends here. Mr. and Mrs. Harold Johnson are at present staying with Mr. and Mrs. Glen Dishaw for the few remaining days that they are in Milo while their furniture precedes them to their new home in Spirit Wood, Sask. where Mr. Johnson will manage a branch of the Bank of Nova Scotia. Last week, as a token of friendship and good will the community held a dance in their honor. The crowd was large and made up of local people intent on showing the Johnsons how much they had enjoyed their association with them. Ernie Heather very capably acted in the capacity of master of ceremonies and the dance never lacked interest. It was composed of different novelty dances. The prize for the spot dance went to Mr. and Mrs. Don McCord; the old time waltz went to Mr. and Mrs. Earl Jones; and the elimination dance to Mrs. Bittorf and Ole Willard. A presentation of a purse of money was given by Vic Bertrand and ably responded to by both the Johnsons. At a separate ceremony the local chapter of the L.O.O.F. lodge presented Mr. Johnson with an electric razor and the United Ladies aid presented Mrs. Johnson with a pair of ear rings. A sincere wish for good luck and happiness in their new home is wished by the whole community.

Here are birthday greetings that are very belated but are also very sincere. On February 18, Mr. Anderson celebrated his 84th birthday. Around him he had 30 of his closest friends and relations. All of his descendants were present but one grand-daughter, Mrs. Stewart of Vulcan. Many happy returns of the day and maybe next year they will come a little closer to the correct day.

You have heard of show people saying that the show must go on no matter what the cost, but in curling there is a similar motto. Don't let a broken bone stop the game. While curling in the Calgary bonspiel, Aubrey Gore knew that he had a sore knee but it was not until he tried to throw a rock and the ensuing crack was heard by the opposition that he paid any attention to it. By then however, the crack only meant that the bone had partly slipped back into place so there was really no reason to stop then. When the spiel was over and he went to a doctor, the doctor only said that there was no use putting it in a cast then because it had been broken too long. Yes, there was a broken bone, one of those connected in some way to the knee. No wonder it was awkward getting up and down at the hack.

Here is a story about someone who didn't get a bone broken but could just as well have gotten his neck broken. Let this be a lesson to tardy husbands. Ethel Heather was to curl a nine o'clock last week and Hap, who was in town, was to be home with the car and to baby sit. It got later and later and finally after a phone call from his spouse which sounded as if she meant business, Hap started home. Now he was late so he was hurrying. But he hurried too fast for the condition the roads were in. He hit a patch of snow where the ruts were deep and the car started to career. Finally it went

clear out of control and headed for the ditch and tipped over almost onto its top, into a ditch full of snow. In the meantime, Ethel had left the baby with her neighbor, got another ride into town and was on her way. Suddenly she came upon the scene of the accident and saw their car, with four wheels in the air. It took her some time to locate Hap, disconsolately sitting on the front end of the car. When her first fright was over and she found out that there was nothing the matter with the now very docile Hap, she went on to her curling game and left him to walk home and get help to get the car out. Because of the deep snow, the car suffered only a few minor dents and most of those came about when they were straightening it up.

Several people have been ill this past week and to them we wish a speedy recovery. Miss Barbara Edwards, clerk in the Bank in Milo is confined to the Vulcan hospital with rheumatic fever. Mr. Koob one of the teachers from the school has also been in the Vulcan hospital being ill with the flu. Mr. Chester Anderson was also in the hospital with a throat infection. Terry Heather didn't go to the hospital but has been ill with pain fully swollen glands.

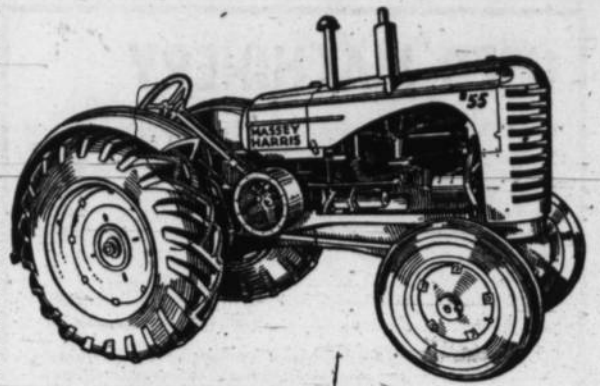

We got a few glimpses of Bob Prentice last week so we know he was home but we can't seem to find out anything more definite than that. From the uniform it would seem that he is still in the air force so if we can catch up to him for an interview maybe we can find out a little more.

Mr. and Mrs. Al Heather left last week for a motor trip to Chicago. They expect to be gone until the middle of April.

There isn't even much curling news this week so you can tell that the season is nearly finished. One last bonspiel was planned to end the season but the season ended it instead. One rink of women from this district have entered in the Calgary bonspiel so it would seem that this curling club is really getting into the big time. Marj Hellevang, June Beckner, Polly Robertson and Florence Bushel make up the team but we will have to wait until next week for a report on how they come out. The rink is under the name of Ethel Heather who planned on attending until Terry got sick. A boat without a rudder, A ship without a sail, Ain't half as bad in winter, As a shirt without a tail.

Percentage of Price Increases In Canada since 1941

INDEXES SHOW

IMPLEMENT PRICES AT LOW LEVEL OF INCREASE

That implement prices have been kept at a low level is clearly shown by the comparison of Dominion Bureau of Statistics index figures, which give an increase in "all commodities" since 1941 of 82.3% as against an increase in a comparable index for Massey-Harris implements of only 66.5%. This low percentage of increase, too, is shown in the face of an increase in the index figure for materials of 93.9% and of Massey-Harris hourly rates of pay of 165% as can be seen by referring to the chart shown above.

Also, the indexes show that while farm implements have only increased 66.5% there has been an increase in the price of farm products of 93.8% and the scarcity of farm labour has caused farm wage rates to climb to 175.3%. The partial absorption of the increased costs of materials and labour has been made possible by the continued great world demand for farm mechanization giving a volume that permits a low ratio of selling expenses and high operating efficiency in manufacturing.

QUEENSTOWN

A Legion and Auxiliary meeting was held in the Legion Hall on Monday, March 2. It was decided that the Auxiliary have a card

party Thursday, March 26 in the Legion hall. Also an Easter Tea and a sale of home cooking is planned for April 4. Due to our secretary, Mrs. Elder curling, Mrs.

C. KingSmith took the job for the evening.

Miss Barbara Edwards is in the Vulcan hospital with a slight attack of rheumatic fever. We wish her a speedy recovery.

The Concrete Mix Co. from Calgary have moved in and have started putting in a new bridge west of town.

J. Bushell has been in Calgary for the past week to a deisel school at the International. If any of you men want to know anything about your diesels, ask Jack.

Mr. and Mrs. H. Gooch were Sunday visitors at the home of Mr. and Mrs. P. Gooch.

We are glad to hear that Mrs. G. McMorris is home from the hospital and is feeling much better.

The monthly meeting of the Women's Institute was held in the Legion hall on Thursday, March 5 with the president, Mrs. Spokes in the chair. It was decided that the ladies serve the lunch for Sam Planders sale which is to be sometime in March. The hostesses served a very delicious lunch.

The bridge club was held at the home of Mrs. A. Robertson on Saturday, Feb. 28. The prizes were won by Joe Hough for first and Mrs. G. Elder. Consolation by E. Wyrick and Margaret Land.

Mr. and Mrs. A. Willard were Sunday visitors at Mrs. E. Fitzpatrick.

A crib tournament was held in the Legion hall March 5 in aid of the Community hall. The prizes were won by George Nelson and Sadie Robertson and consolation won by Marjorie Anderson and Dick Hunter. A picture was also raffled and was won by J. Hough.

ARMADA

Congratulations and a sack of flour goes to the Oake's curling rink of Armada who placed second in the third event in the mixed bonspiel at Lomond. Members of the rink were F. Oakes (skip), K. Beagle, Miss G. Oakes, Miss H. Beagle.

Other teams from Armada who also have been curling in Lomond and took part in the bonspiel are S. Hendrickson, I. Bennett, G. Lucas, Mrs. Lucas, J. Sealock, J. Urdal, E. Howell, Mrs. E. Howell. Mr. and Mrs. Bill Marks who played with the Montgomery rink from Lomond; Mr. and Mrs. Stan Marks who played with the Tolley team from Lomond and V. Graham with the N. Erskine rink from Lomond. There were 38 rinks in this mixed bonspiel and who also have been curling all the season. They consisted of rinks from Lomond, Travers, Enchant and Armada.

Doreen Marks of Mount Royal College, Calgary spent the weekend at her home in the district.

Sunday guests at the home of Mr. and Mrs. Art Marks were Mr. and Mrs. E. A. Anderson and family, Mr. and Mrs. Joe Thomson and Nels Johnson, all of Milo, Henry Lindstedt of Lomond and Mrs. Anne Marks of Armada.

We are glad to report the Williams are out of the Vulcan hospital and staying at the Don Williams' home in Lomond.

H. Barclay is also out of the hospital and staying in the Vulcan hotel.

Bob Birkeness who has been convalescing at his home in the district has returned to Trail, B. C. He was accompanied to Calgary by his mother, Mrs. H. Birkeness.

Melvin Magnuson was a Calgary visitor on Monday.

Mrs. J. Marks and her son John and daughter Carol were confined to the Vulcan hospital.

Is spring really just around the corner? Art Marks shot a gopher last Wednesday, March 4 in his front yard.

Mr. and Mrs. M. Magella and George left last Wednesday to reside in Kipp. The children honored George with a farewell party in their room last Wednesday afternoon.

The Community Club held their March meeting Wednesday afternoon in the Legion hall. Mrs. W. Lucas was hostess. Ten dollars were donated to the Cancer Appeal. Roll call "How I Met My Husband" was answered by 13 members. One visitor was also present. At the conclusion three contests served as the entertainment for the afternoon. Mrs. I. Kunkel's contests was won by Mrs. S. Bohnet; Mrs. S. Marks contest was won by Mrs. A. Hanna and Mrs. Anne Marks contest was won by Mrs. Art Marks. The tea raffle was won by Mrs. S. Bohnet. A delicious lunch was then served by Mrs. S. Marks, Mrs. W. Lucas and Mrs. S. Bohnet.

Bert Brotherwood is a visitor at the home of his parents, Mr. and Mrs. G. Brotherwood.

Mr. and Mrs. R. Chambers have returned to Calgary where they will reside until Spring.

Owing to so many dances nearby and the bonspiel in Calgary, only a fair crowd attended the dance held in the Community hall last Friday, Feb. 27, however all those who did attend, had a very good time. Just proves, whether the crowd be big or small, you can always have a good time in Ar-

mada. The next dance in Armada will be a "Novelty Dance" to be held on March 13. There'll be prizes galore and barrels of fun so hope to see you there.

Good news was received by the Irvin Kunkel and Howell families last Tuesday. In a letter from their father, Ted Howell, who has spent the past few years in England, indicated that he hopes to be home by August of this year. Stanley and Maurice Hendrickson motored to Calgary last Monday as did Bill Marks.

A Red Cross tea was held in the Junior room of the Armada school last Friday afternoon. Many of the parents and friends of the children were present and enjoyed the various recitations and readings of the pupils. The parents realized just how their offspring were progressing, their capability to read and their splendid co-operation with their teacher, Mrs. Oakes. The children sold candy during the afternoon, proceeds going towards their Red Cross fund. Lunch, consisting of many delicious cakes and sandwiches, was then served, bringing an enjoyable and interesting afternoon to a close.

The Hagg children of Enchant are spending a few days with their grandparents. Mr. and Mrs. C. Stokes and uncle and aunt, Mr. and Mrs. L. Stokes while their mother is visiting in Calgary.

The Legion Card party was again held in their local hall Saturday night with three tables of bridge players and five of whist. Prizes in bridge went to Mrs. Hendrickson and I. Magnuson who held high scores while consolation scores were held by S. Hendrickson and Mrs. M. Magnuson. In whist A. West and Mrs. W. Marks were winners of the grand prizes and Marvina Stokes and H. Magnuson got the boobies.

We are sorry to learn Mrs. Nina Bennett is a victim of the flu and confined to the local hospital. We wish her a speedy recovery. Mrs. Phyllis Beaumont of Cal-

gary spent the weekend with her mother, Mrs. Anne Marks. Doreen Marks spent the weekend at her home also.

Anyone who plans on competing in the bucking bronco events at the rodeo this year should have seen at the toboggan party held in the Art Marks pasture last Sunday. Several local citizens of Armada came out to enjoy the lovely sunshine and fresh air and add a few black and blue bruises and sore spots to their weary bodies. I don't know whether the men wanted to do the housework for a few days or not, however they sure made some terrific jumps that really loosened a person up. Then they'd coax the women to go down on Art's homemade sleigh which weighed at least a ton, saying it was a great thrill to be flying off into space, wondering if you were ever coming down or not. When you did, brother! Then to bring that contraption up the hill again for its next victims. However, it was fun while it lasted (or was it?) and the old linament bottle really found its place Sunday night. Lunch was served at the Mark's home which really hit the spot and brought an afternoon of thrills and spills to a close.

Champion

Mr. and Mrs. George Clever have returned to Champion after spending several of the winter months in the U.S.A.

Mrs. J. Matlock and family have returned home after spending the past three weeks in Calgary.

Dougie Fleming has returned home from the Vulcan hospital, and is much improved in health.

Mrs. Alton's father, Mr. McLeod of Canmore, is a patient in the Col. Belcher hospital. He contracted pneumonia and was taken to the hospital in an ambulance.

Mrs. Gordon Stewart was surprised on the occasion of her birthday anniversary on Tuesday, March 9 when a group of friends gathered at her house. She was the recipient of several lovely gifts, and at the close of the afternoon a delicious birthday tea was enjoyed.

Mrs. E. Kranzler has been appointed janitor of the new school.

Mrs. Evaline Smith, an old timer of the Champion district, was entertained by her family and friends on the occasion of her 87th birthday anniversary at the home of Mrs. Morgan Smith on Thursday, Feb. 26. Sixty guests called during the afternoon and evening to extend their good wishes to this fine lady. Mrs. Smith travelled to Canada from Idaho in a covered wagon in 1900 settling in Champion in 1907. Five of her ten children are living: Fred of Carmangay, Henry of Glenwood, Mrs. Eva Pierson of Pocatello, Idaho, Mrs. Ralph (Jeanette) Hardisty of Trucker, Calif., and Mrs. Harry Orcutt, of Cardston. She has 54 grandchildren and 74 great grandchildren.

Mr. and Mrs. Fred Clever were visitors in town for a few days last week, en route from a holiday spent in several points in the U.S.A.

Mrs. Ernie Sparks and small daughter of Medicine-Hat were recent visitors at the home of Mr. and Mrs. Bob Stewart.

Mr. and Mrs. Alex Russell of Saskatoon spent the past week visiting at the home of Mr. Russell's brother-in-law and sister, Mr. and Mrs. Cliff Miller.

Jack Steeves has been visiting relatives in Headley, Alta. for several days.

Ferdinand Hartung and Donnie Schmidt were Calgary visitors during the weekend.

Mr. and Mrs. Donald Clifford were weekend visitors in town.

Mr. and Mrs. A. E. Howerton made a hurried trip to Calgary Sunday evening to visit Mrs. Howerton's father who is a pneumonia patient in the General hospital.

Mr. and Mrs. Oscar Hagg accompanied by their daughter, Miss Jean Hagg, left on Saturday for a holiday to be spent visiting relatives at Boise, Idaho, Portland, Oregon and Seattle, Wash. Miss Hagg will return in two weeks, but Mr. and Mrs. Hagg will remain in the U.S.A. for two months.

St. Patrick's Concert, sponsored by the Champion W.A., Tuesday, March 17, in the Champion Community Hall at 8:00 p.m. Admission Adults 50c, children 25c Adv.

Rev. and Mrs. Stanley Hanson, missionaries on furlough, were guest speakers at the E.U.B. church on Sunday. They have been laboring in the field of Haiti under the E.F.M. for the past five years. Interesting slides and a film on the work were shown.

Alfred Little has returned from the Vulcan Hospital and is convalescing at his home.

The Regent, Mrs. G. Dow, presided over the March meeting of the L.O.D.E. when Mrs. Ohlheiser was hostess to 16 members. The members decided to conduct the cancer drive this year, and to donate \$10 toward European flood

relief. Mrs. G. Dow and Mrs. W. Warren were appointed delegates to the provincial convention which is to be held in Calgary March 31 and April 1 and 2. Mrs. Bakken gave a very interesting paper on Empire study. Mrs. Keenan won the tea gift. Mrs. Bakken invited the members to her home for the April meeting. Mrs. Racher assisted Mrs. Ohlheiser in serving lunch.

CARD OF THANKS

Mrs. Evaline Smith wishes to thank all those who expressed their kindness to her on her recent birthday anniversary, with their visits, lovely cards, gifts and flowers. It was a pleasant day and will always be remembered. 1c

IN THE OIL BUSINESS
you PUT before you TAKE

Since the Leduc field was discovered in 1947, the oil industry in Western Canada has poured a whopping \$900 million into exploring for new fields and developing the fields that have been found.

From this investment, the gross value of oil produced so far has amounted to about \$460 million. And the net to the oil companies has been far less, for out of this amount they have paid field operating expenses, royalties, taxes, and other charges.

How come? That's the oil business. Before a profit return is realized, a lot of risk money has to go to work.

In the meantime, the people are benefiting. As a case in point, since Leduc, more than \$160 million have accrued to the people of Alberta through oil industry payments to their government for royalties, rentals, and bonus payments. Across Western Canada, oil activity has brought increased government revenues, payments to farmers for surface use, new employment, and the lowest petroleum product prices in the country.

In the oil business you put before you take—but in the meantime, and at all times—the public benefits.

CANADIAN PETROLEUM ASSOCIATION
FORMERLY WESTERN CANADA PETROLEUM ASSOCIATIONNow I HAVE A
FUTURE UNLIMITED!

"My name is Phyllis. I am six years old. I have a club foot. For a long time my Mommy and Daddy thought I would always be very lame. Soon I will be able to walk without my crutches. Mommy says I am a very lucky girl . . . I think so too!"

Phyllis is only one of hundreds of children who have overcome their physical handicaps through the help of the Alberta Red Cross Crippled Children's Hospital. The new hospital, Canada's largest orthopedic institution, was built by contributions from Albertans with the assistance of provincial and federal grants. It is a monument to the people of this province who wish to give every opportunity to the crippled child . . . to all of us who can open the doors to those with a limited future — to a future unlimited.

Alberta Red Cross Crippled Children's Hospital, Calgary, Alberta.

YOUR HELP TODAY WILL HELP THEM TOMORROW

Though the Alberta Red Cross Crippled Children's Hospital is only one of numerous Canadian Red Cross projects it is Alberta's most important consideration. During the peak of the 1952 polio epidemic, 149 patients were hospitalized. These were in addition to 142 patients who had been admitted to the hospital during the preceding ten months. What does it take to meet such an emergency and administer to our handicapped children? It takes a highly trained and skilled staff of doctors, nurses, physiotherapists, laboratory technicians, X-ray technicians, administrative and

maintenance personnel . . . it takes provincial government financial assistance as well as all the support through contributions that the people of Alberta can possibly give.

Red Cross work in Alberta is estimated at an annual cost of over \$600,000. Of this total \$321,940 will be required to carry on the work of Alberta's Red Cross Crippled Children's Hospital. After provincial grants have been deducted an estimated amount of \$123,965 is still needed. When the Red Cross worker asks for your contribution . . . give as much as you can.

YOUR DOLLARS WILL HELP HERE . . .

- In meeting administrative expenses for nurses, physiotherapists, X-ray and laboratory technicians, nurses' aides, school teachers, domestic and maintenance personnel.
- The maintenance of the hospital brace shop where hundreds of braces and harnesses for crippled limbs are made.
- In the maintenance of an adequate school and library in the hospital for the education of young minds so that patients may acquire a sound education as well as overcome their physical handicaps.
- In support of the hospital orthopedic "gym", specially equipped for the correction of remedial disabilities.
- To treat cases and restore the health of patients suffering from orthopedic conditions, including osteomyelitis, osteochondritis condylaris.
- Congenital Anomalies — Club feet, club hands, hip dislocations and numerous other deformities.
- Arthritic conditions, tuberculosis of the bones, traumatic conditions (amputations, etc.), malunited fractures, poliomyelitis, arthritis and numerous others.

Don't be fooled by "LOOK-ALIKES"

LOOK FOR THIS SYMBOL OF QUALITY WHEN YOU BUY PARTS

It's easy to fool the eye but hard to "fake" performance. That's why it will pay you to look for the IH Symbol of Quality on the part you buy... for precision engineering... high standards of quality... perfect fit... longer wear. Don't take a chance on "look-alikes." Insist on the IH symbol to "Parts-Protect" your farm equipment investment... to get peak performance.

GMC IN THE 1953 TRUCK SPOTLIGHT

Now, even more than ever, the spotlight's on GMC!

For 1953, GMC trucks bring you new staying power and new safety with heavier, more rigid and durable construction. All 1953 GMC models provide increased horsepower and higher compression ratio. These great valve-in-head engines give you faster acceleration, greater hill-climbing ability—and even greater economy than ever before!

Model for model, feature for feature, these 1953 trucks are the greatest GMC trucks ever built. And with all their solid superiority, they give you real dollar for dollar "Go!"

Drop in at our showroom and talk over your needs. Let us show you how GMC trucks give you more of what you want in 1953.

WITH GREAT NEW VALUES...

In Power... Three husky, improved valve-in-head engines, new high compression ratios, highlight the GMC power story for '53. Choose the power plant you need from the rugged 108 h.p. Loadmaster, 125 h.p. Torquemaster and 130 h.p. Workmaster engines.

In Performance... Over the road and over the rough, GMC can handle the toughest jobs with ease and come back for more. With heavier, stronger, more durable frames, these husky 1953 GMC trucks are the sturdiest, most rugged ever built.

In Safety... For fast, smooth positive stops all 1953 GMC trucks up to the 9400 series are now equipped both front and

rear with big, husky "Torque-Action" brakes which utilize the motion of the truck itself for extra stopping power. Heavy duty models in Series 9100, 9500, 9700 and 9800 have extra-large "Torque-Action" on the front wheels and famous "Twin-Action" brakes at the rear.

In Economy... The big improvements in GMC's thrifty, valve-in-head engines combine with the new, rugged stamina to bring you overall operating economy like you've never seen before. Ton for ton, mile after mile, all year 'round you save money with GMC.

BERRYWATER

Mr. and Mrs. Ed. Richardson, Mr. and Mrs. Lloyd Richardson and Mr. and Mrs. Les Richardson attended the March 4 funeral rites for the late Murray Stein at Calgary.

D. B. Smith and son, Russel were Calgary visitors last week.

Mr. and Mrs. H. C. Douglass motored to Edmonton last week end to accompany Mrs. Grace Mensinger that far on her journey to her home in Grand Prairie. Mrs. Mensinger had been a guest at the Douglass home for the past two weeks and while in the district renewed many old acquaintances. While in Edmonton, the Douglasses will see the small son of Mr. and Mrs. James Phelan for the first time.

The International Supper that the Berrywater F.W.U.A. is sponsoring will start March 13, at 6:30 with cocktails at the home of Mr. and Mrs. Doug Smith. This course will represent France; at 7:30 the main course representing China will be served at the D. B. Smith home. Dessert, representing the southern United States, will be served at the H. C. Douglass home commencing at 8:30. At 9:30 all will proceed to the Berrywater hall for an evening's entertainment. Everyone is welcome to this rather unique evening, to which a charge will be made.

ARMADA

Elsewhere in this issue, in the Armada news, is a list of Armada residents who participated in the Lemond bonspiel. Received too late to be added to this list were the following two Armada rinks, who also curled at Lemond:

J. Decair (skip), Lemond; Darwin Grant, Allan Grant, Mrs. W. Grant, Glen Root (skip); A. West, Dale Root, Mrs. A. West.

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

RABIES: We are in receipt of a letter from Dr. Ballantyne of the Veterinary Services Branch, in which he asks us to step up our program of coyote extermination either through our Coyote control Policy or by any private means.

There have been several coyotes infected with the disease at Lac La Biche, St. Paul, Onaway and Morinville as well as other places in Northern Alberta. The Government has a very comprehensive program to combat the disease in the north. They report one case at Keg River where a fox jumped into a pig pen and 11 of 15 of the pigs died with the disease after being bitten, another point where a Lynx was carrying the disease. At Upper Hay River Post a dog developed furious Rabies last December and bit 5 or 6 people—a total of 19 people were given the Pasteur treatment there died that showed symptoms of Rabies and at Grimshaw a rabbit came into a yard and faced up to a dog. The rabbit was killed and Negri bodies were found.

In view of the fact that Rabies has been diagnosed in a dog at Picture Butte and Burdett, it would seem that the disease is well established and we must be on the alert. We will be waiting further instructions from Dr. Ballantyne and in the meantime we would ask you to make use of the Cyanide gun policy and keep the coyote population down, and if you need any more supplies call us at the County office.

Orders for Baby Chicks

The Acting Poultry Commissioner has recently issued the following statement regarding baby chicks, in the chick hatching season of 1952 a situation developed with respect to chicks in which Alberta hatcherymen found difficulty in disposing of their product. As a result of that experience hatcherymen intend to play safe this year and are keeping their settings pretty well correlated with their orders for chicks. If therefore, farmers anticipate that they may go into a hatchery at any time and expect to buy chicks they may be disappointed. Reports indicate at present approximately 200,000 less eggs in Alberta machines this year than at the same date last year.

Early chicks make most economical gains and come into production at a suitable date. They are likely to produce a greater number of eggs during the season when the price is attractive. We advise, therefore, that farmers order their chicks early and that they order early chicks.

In the leaflet entitled, "The Agricultural Outlook for Canada,

1953" which is published annually by the Dominion Department of Agriculture, the following comments are made concerning eggs and poultry.

Fewer laying hens, lower egg production and somewhat higher egg prices are expected during the first half of 1953. Marketings of farm chickens in 1953 are likely to be about the same as in 1952 but broiler production may increase slightly. Prices for poultry meat will probably remain close to the 1952 level.

The lower turkey prices which have prevailed throughout the 1952 marketing season will probably result in some reduction in production in 1953. Prices for eggs during the fall of 1953 are not likely to be much different from those of the fall of 1952.

Announcement

We wish to announce that we have sold our NANTON Garage after 17 years of operation. We were very proud of our Nanton business and customer relations, also of watching our business grow from the smallest service station in 1936 to the largest garage in Nanton, employing 13 men. It is fully equipped, including wheel alignment and balancing and undercoating machine, with a separate building housing a body shop.

We have enjoyed the reception of customers and friends here to such an extent in the past two and a half years that we decided to put our full efforts into our business in Vulcan.

Lawrence Richardson will be moving to Vulcan in the near future and Cliff Gould will be coming over later in the year.

We take this opportunity to thank you one and all for your patronage. Our aim is to give you better service.

Brief Items of Local Interest

George Johnston has returned to Calgary, where he has accepted a position.

James Chapman was a recent Lethbridge business visitor.

Mr. and Mrs. Ross McIntyre left Sunday for Calgary where Ross will undergo surgery this week. Best wishes for a speedy recovery are extended to him. During their absence Mrs. Carrie McIntyre is the guest of her nieces, Shirley and Myrna.

Mr. and Mrs. George Todd have returned from a month's holiday in the U.S.

Members of the Reid Hill W.I. are asked to note that the postponed March meeting will be held at the home of Mrs. Lorne Healy, Tuesday, March 17. A White Elephant sale will be held and good attendance is hoped for.

"Open House" was held at the Church of Christ parsonage Saturday from 3 to 5 and from 7 to 9, when some 50 members of the congregation called to enjoy a pleasant social hour, and to inspect the extensive remodelling and redecoration of the Chapman home. Tea was served both afternoon and evening.

Thirteen couples of the local Square Dance Club motored to Claresholm last Thursday evening to an invitational square dance, at which the caller was the world-famous Les Gotcher from the U.S. It is hoped that when Mr. Gotcher makes his tour of Canada next summer to have him visit Vulcan, as all who heard him enjoyed his calling very much.

The Gail Walker and Donna Armstrong rinks are participating in the Ladies' Bonspiel in Calgary this week.

Mr. and Mrs. George Fulton and Lynell were Calgary visitors Monday and were accompanied home by Miss Margaret Hanson, who had spent the weekend in the city with her parents.

Friends of Mrs. Bob Irwin will be sorry to learn she is at present confined to the local hospital.

The Thigh Hill W.I. branch entertained members of Good Deeds and Reid Hill branches at a Daffodil Tea Saturday afternoon, in the Legion hall. The Champion branch was also invited, but none was able to attend. Dainty vases of spring-like daffodils and dainty table appointments with soft piano accompaniment by Mrs. J. E. Clarke provided a most charming and gracious setting for this very pleasant occasion. Mrs. A. R. Mainland welcomed the guests. The delicious tea and lunch served by the Thigh Hill ladies was also much appreciated. Mrs. P. Bowie, on behalf of the Reid Hill members thanked the sister branch for the lovely afternoon, and Miss Nettie Ware expressed the Good Deeds ladies' appreciation.

"Grandma" Carruthers is again a patient in the local hospital and her friends wish her a rapid recovery.

Mr. and Mrs. Dale Campbell motored to Barons Sunday, where they visited at the Charlie Campbell home.

Mrs. Clayton Clarkson and Mrs. H. Matlock are Calgary visitors this week.

Members of the family who journeyed here recently to attend the funeral rites for Mr. Guy Denbigh were Mr. and Mrs. C. F. Denbigh, Calgary; Mr. and Mrs. J. E. Thomson, Edmonton; Mr. and Mrs. D. Van Blarcom, Turner Valley, and D. Wolfe, Vancouver, B.C.

Mr. and Mrs. Charlie Andrews were Calgary visitors this week.

Friends of Allan Jordan will be sorry to know he underwent an appendectomy at the local hospital Wednesday morning.

Mrs. W. S. Hill and Mrs. Frank Hess met at the home of Mrs. Dave McAtee Tuesday afternoon, where the three ladies packed seven boxes of used clothing for overseas relief. This committee wishes to extend their thanks for the generous response to this appeal.

Mr. and Mrs. John Hunter were Sunday visitors to Okotoks, where Mr. Hunter as Scout Commissioner helped to re-organize the Scout movement.

The ladies of St. Aldhelm's Guild will hold a tea and fashion show in the Legion hall on Saturday, March 21, from 3 to 5 p.m.

Mr. and Mrs. D. Schierman and Mr. and Mrs. Charlie Budd of Vulcan and Mr. and Mrs. Ruben Rausch of Calgary were Sunday guests at the home of Mrs. A. Schierman.

William Sorger of the Vulcan Flour Mill is attending a millers' convention in Winnipeg this week.

Mr. and Mrs. Stan Kettleson and baby daughter were weekend visitors at the home of Mrs. Kettleson's parents, Mr. and Mrs. Dave Neville. Mrs. Kettleson and baby remained here for the week.

Mr. and Mrs. W. Stewart were Calgary visitors the first of the week.

Two new additions to the nursing staff at the local hospital are Miss Karr and Miss Bowden who have just arrived in this country from Northern Ireland.

Mr. and Mrs. Montie Findlay, accompanied by Dave Neville, motored to Lethbridge Sunday where they visited with Mrs. A. Moore, mother of Mrs. Findlay and Mr. Neville.

Mrs. C. Fleming loaned her home for a shower in honor of Miss Ruth Wylie last Friday afternoon. The ladies of the Candlelight and Keystone Classes of the Church of Christ entertained for the bride-to-be. The tea-table was decorated with a miniature bride and groom and bridal motifs. Mrs. E. Hansell poured tea while Mrs. F. Chow, Mrs. C. Warden, Mrs. B. Gonyea, Mrs. H. Rutberg and Mrs. Nelsie Robertson assisted in serving. The honored guest was presented with a lovely bed-throw besides other gifts from those present.

Mrs. Jackson was hostess to the Keystone Class of the Church of Christ on March 5. Due to sickness the attendance was small with only 11 members and three visitors present. Hymns were sung and some of the members led in prayer. After discussing some business Mrs. Smith, the president, conducted a question period in which the ladies were to tell what the Lord's Prayer meant to them. Some very interesting and helpful talks were given. A lovely lunch was served at the close of the meeting by the hostess, for which a hearty vote of thanks was given.

Brant High School Holds Bonspiel

The Brant High School held a curling bonspiel on Saturday, March 7. There were two rinks from Milo, one from Blackie, one from Cayley and four from Brant. High River and Vulcan did not send any rinks.

Prizes were as follows: Will's rink from Milo won first in the first event; Lindquist from Blackie second; Pruskey from Brant won first in the second event; Druhal from Brant won second.

The ice was very tough and for the last game the house was placed in the centre of the ice. All rinks did very well.
